19:27 Meeting called to order after Special Town Meeting

June 6 2017 Minutes

Gloria motions to approve minutes, seconded by Kathy. App 3-0, with Jeff abstaining.

Chapter 44 Transfers

Jeff motions to approve transfers for Dump/Trans/Tipping, Salary Post Office Manager and License Renewal. Motion seconded by Gloria. App 4-0

Uniform Rentals

Request for transfer for uniforms for highway crew, needed more information. Committee moved to meet with selectboard, town accountant, and highway supervisor. The town accountant advised the rental company has been charging for repairs.

Fin Com members expressed dismay with this, for when intially requested by previous highway suoervisor, cost for replacement and repairs were included. The accountant advises the contract contains language that allows the rental company to charge. She adds the contract is up in September.

Fin Com members would like to see a minimum of three bids, should the town continue with uniform rentals or to find other alternatives, possibly giving the employees a uniform allowance.

Motion to approve request made by Gloria seconded by Ned. Motion approved 3-1 with Jeff voting no.

Motion to adjourn at 19:50 by Jeff seconded by Kathy. Apprived 4-0.
