

YES, WE USED TO BE THE RESTORE!

The non-profit EcoBuilding Bargains helps homeowners and landlords:

- Save money by avoiding disposal costs when you donate.
- Do more with your budget when you purchase low cost, high quality used and surplus materials.
- Help our community and environment through tax-deductible donations of your used/surplus materials. **Don't throw it away. Donate!**

ECOBUILDING DECONSTRUCTION

We take buildings apart by hand to reuse the materials.

Deconstruction is the only "green" alternative to demolition.

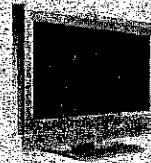

Whole house removal or pre-renovation selective removal.

Call us for a consultation.
