

Heath Planning Board Meeting notes

Date: 4_11_2013

Meeting called to order at 6:40 pm.

Attendance: Calvin Carr, Bob Viarengo, Douglas Mason.

Others in attendance: Bill Lattrell, Steve Ryack, Andy Draxler, Jan Carr, Bob Shultz.

Discussion Points:

Seaboard Solar proposal. The most recent Massachusetts Biocore 2 map includes the property in question in its entirety. This eliminates the possibility of building a solar facility of any size. We need to look at the larger map in Bill Grans possession, to confirm this.

We were asked by the Historic commission whether it was allowable to post 6 Welcome signs for the Heath Historic District. We agreed that this was allowable under the bylaw where it states "Tourist oriented directional signs are allowed under our bylaws"(4.6.4) . Bob moved that we vote to go on the record as agreeing to this, Doug seconded and we voted unanimously, agreeing.

Warrant Articles and Date for public hearing:

Wireless broadband bylaws for the town of Heath.

Renumbering some bylaws for clarity

Change of decibel level for wind energy

Public Meeting on May 9th for this.

Next meeting date: Public meeting.

Doug moved to adjourn, Bob seconded, adjourned at 7:29pm

Respectfully Submitted,

Douglas Mason
